WorldCom representatives expressed confidence that if the Commission sets interim prices at the reasonable levels demonstrated by WorldCom and AT&T, competition in the residential and small business market will begin to emerge. WorldCom representatives expressed their opposition to the motion filed by Pacific Bell on October 12.

Summary: On October 18, 2001, John Marsch, Chairman of TRI-M Communications, Inc. dba TMC Communications (TMC), sent a letter (attached to the notice) to Cmmr. Lynch in San Francisco. A copy of the letter was also sent to Cmmr. Brown. The letter refers to an offer by Pacific Bell to reduce certain prices for unbundled network elements (UNE). The letter contends that Pacific Bell should be required to demonstrate that its UNE prices have pro-competitive results before it is allowed to enter the in-region, interLATA market. The letter also expresses frustration that TMC cannot enter the market in Santa Barbara and other areas served by Verizon-California due to excessive UNE prices.

Written materials (attached to the notice) were provided at the conclusion of the meeting.
